

CLEANVIEW

Large Capacity Dispensing System

CleanView is the unique, technologically advanced Triple S Quality Skin Care dispensing system.

Sealed product cartridges are locked into durable, smoke-colored PVC cases. The cartridges are designed so that the maximum amount of product is stored in the least amount of space. The sleek, attractive cases are time-tested and completely waterproof. With their subtle, see-through appearance, they offer quick identification of product level. When it's time to add more product, just insert the new case into the dispenser.

The large capacity of the CleanView System reduces maintenance costs by extending time between refills. The black CleanView dispenser accommodates both the 2000 mL and 4500 mL refills, to easily meet changing volume requirements. Dispenses 1.5 mL of liquid soap per push.

CleanView is the highly attractive, trouble-free solution to modern handwashing needs.

CLEANVIEW

Large Capacity Dispensing System

Luxury Lotion Lotonized Soap with Moisturizers

Premium general purpose hand soap. Rich, creamy white, pleasantly scented formula that cleans and moisturizes. Recommended for applications where frequent repeated handwashings may be required.
2000 mL - #44205 4 per case

Lotion Skin Cleanser

Ideal for all general purpose hand cleaning applications. Quick sudsing, clean, fresh fragrance and attractive clear pink color. Our most economical product.
2000 mL - #44204 4 per case

Assure Antibacterial

Cleans hands and kills germs without irritating the skin. Unique ingredient also helps neutralize odors to leave hands smelling clean and fresh. Features the superior germ-fighting power of Triclosan at 0.3% to help kill many disease causing germs.
2000 mL - #44208 4 per case

Instant Hand Sanitizer

62% Ethyl Alcohol. Kills 99.9% of eight common organisms in 15 seconds or less. Thick formula won't run off hands. Contains moisturizers. Biopreferred. E3 rated by NSF.
