

Versamatic® Plus

14 and 18 Inch Upright Vacuums

The number one dual-motor upright
in the commercial cleaning industry.

Proper carpet maintenance improves the appearance and air quality of your facility. Protecting your carpet investment takes a powerful, reliable vacuum. The Versamatic® Plus, with a 1,000 watt motor and long, trouble-free maintenance life, gives you the productivity and efficiency you need to meet the challenge of maintaining your facility and protecting your carpet.

- » Versamatic's track record of dependability and cleaning performance have made it the most popular dual-motor upright in the industry.
- » Electronic control system maintains consistent brush motor speed and torque to eliminate premature brush, bearing and belt replacement.
- » Powerful 1,000 watt vacuum motor picks up more dirt in a single pass.
- » Pull-out wand and hose with on-board accessory tools simplify detail cleaning.
